

Help! 2018 Bike MS Tour to Tanglewood

Forsyth County AuxComm

Aug. 20, 2018, 2:28 PM

All,

Thank you for your support of the 2017 Bike MS Tour to Tanglewood. Without the support of the amateur radio community to this event it would not have been the success that it was. Without your support the amateur radio community would not have been able to provide the excellent level of support that the event required.

This year's event is just around the corner and more demanding as ever. **WE NEED YOUR SUPPORT** again this year. Please if you have the availability to help out again this year on Sept 22-23 we can use your assistance.

While we could use a few more SAG vehicles, we really need Radio Operators for Rest Stops and Net Control. Also if you are a motorcycle driver and have the ability to use amateur radio while on the bike, sign up as a MOTO.

If you know any new HAMS that may be available please pass this on.

To sign up please go to <https://www.signupgenius.com/register> or <https://www.signupgenius.com/go/20f0944acab22abfd0-2018416> . If you go to the register page look for the title **2018 Bike MS: Tour to Tanglewood - HAM/SAG**.

Thanks to all who have signed up and those that will.
